

2023-2024

"Gymnastics program" is a year-round activity. Program is emphasis on Fun, Challenges and Rewards. We welcome all children aged 1.5-16. We use English, Putonghua and Cantonese as the communication media. Children are separated into different groups or classes according to their ages and level. The course matches with the primary physical education syllabus.

Children are recommended to take part in the British Amateur Gymnastics Association Award badge test as well as the Gymnastics Competition that Sportscene holds annually, we encourage all our children to participate in this event and gain memorable experiences. Give your child the edge of this program. Please bring him or her along to the world of fun. All our coaches are dedicated to helping your child associate exercise with having a great time and developing a lifelong habit of keeping physically fit.

Our Vision

- 1. Children can enjoy the fun way to learn to keep them fit
- 2. To provide a professional gymnastics program, designed to teach children fundamentals and techniques through step-by-step progression.
- 3. To help build positive learning behaviour through gymnastics.
- 4. To provide opportunities to participate in different performances and competitions.
- 5. To build up sport and team spirit in gymnasts' mind

Our Mission

We strive to provide professional gymnastics programs and enhance overall physical, cognitive, social and mental well being of your child.
